16TH ANNUAL NATIVE HAWAIIAN CONVENTION

PARTNERSHIP KIT

ALOHA LĀHUI

THE EVENT

The Annual Native Hawaiian Convention is a unique venue that encourages and promotes collaboration among community leaders, cultural practitioners, policy advocates, business owners and agency officials, to further the well-being of Hawaii's Native community.

OUR PROGRAMS

The Council for Native Hawaiian Advancement (CNHA) organizes the Annual Native Hawaiian Convention to focus on public policy issues, sources of funding, and capacity building of Native organizations, homestead associations, civic clubs, nonprofits, and businesses.

THE SCHEDULE

Inspired by a theme and participants' unique interests in community development, the schedule is organized into a three-day event. Monday and Tuesday deliver resources, information on funding, sector-specific caucus meetings as well as focused discussions on relevant issues. Wednesday hosts the Policy Report-Out, where diverse voices gather and policy solutions are brought forward to encourage cross-collaboration of sectors.

BE A PARTNER

We ask for your partnership and kokua to gather Hawaii's best minds and Hawaiian community development practitioners at the Annual Native Hawaiian Convention. The success of the Convention, and each event, is dependent on a vast support network.
