# 22ND ANNUAL NATIVE HAWAIIAN CONVENTION

Eō Maui me ke aloha no ka lāhui,

I extend a warm aloha to all of you gathered at this year's Native Hawaiian Convention. This convention holds great significance as it marks another milestone in CNHA's history: It is the first time our convention is held on the beautiful island of Maui. As we come together to extend our aloha to our beloved Pi'ilani and her people, let us take a moment to reflect on the loved ones we lost on that fateful day, August 8, 2023. May their spirits be with us as we look towards the future.

The decision to move the convention to Maui was an easy one, but the logistics to make it happen were not. I want to express my deepest gratitude to the incredible team who worked tirelessly around the clock to ensure the success of this event. Without their dedication and hard work, we would not be here today.

Throughout this convention, I invite each and every one of you to immerse yourselves in the richness of our culture. Engage in meaningful dialogues, embrace the opportunities for growth and connection that lie before us. This is a time for us to come together, to learn from one another, and to strengthen the bonds that unite us as a lāhui.

As we gather here, I call upon each of you to be catalysts of change. Let the lessons learned and the connections made at this convention fuel your passion for our people and our 'āina. Together, we have the power to preserve our heritage and ensure that the spirit of our kūpuna lives on. Let us work hand-in-hand to ensure that our 'āina thrives and our culture continues to flourish.

I want to express my deepest gratitude to all of you for being here. Your presence and participation are a testament to your commitment to our lāhui, our people. Let us make the most of this convention, let us learn, grow, and connect. With love for our lāhui, let us move forward together.

No ka lāhui,
